CHAMBER SCOOP

What a horrific month of severe weather! Our thoughts and prayers go to all those affected by the tornados in Joplin and surrounding areas. We've had a few updates from the Joplin Chamber of Commerce – all is well with their Chamber office and staff, however, they've lost between a third and a half of the businesses. Please support the rescue and clean up efforts with your donations.

Last month's Chamber luncheon was a great networking opportunity for attendees. All participated in our version of Twenty Questions and learned a lot about each other's businesses as they mingled with paper in hand getting answers to pertinent questions. The great part about this "game" is that everyone was a winner because everyone who played learned something new about fellow chamber members.

If you missed the Tenpins for Contacts Bowling Night you missed a terrific time! We had about 35 to 40 chamber members present – most displaying varying skills at knocking down pins, others serving as the "routing gallery." But ALL having fun and enjoying the food and each other's company. A big thank you to Steve Boggeman of Eraser Top Design for this awesome idea and for being the presenting sponsor. Check out the article on page 7 for more details.

The first Connect With Coffee was very well attended and thanks to Ben Kraft of SignKraft for hosting our May 13 event. We are very grateful to Vatterott College for hosting a Business Before Hours and showcasing their Building Trades program. This event was attended by members from both our chamber and the Fenton Chamber. However, one of our members – Mersed Halilovic of Regions Bank won the grand prize of a large picnic table made by students at Vatterott. You might say that the month of May was Networking Month.

Be sure to check out all our upcoming events and please support your fellow chamber members by **BUYING CHAMBER FIRST.**

Over the years, Crown Vision Center owns and operates 25 locations throughout Missouri and Illinois and has just opened its newest location in the Southfield Center. Crown Vision is one of the largest, most complete eyecare providers in St. Louis. It is a full service optometric center with board certified optometrists and also has board certified surgical teams available for all your medical vision needs, including cataracts. The success of Crown Vision is based on the concept of affordable vision services and everyday low-priced eyewear. The Tenpins for Contacts turned into a win-win for all attendees. We had quite a few new people and several guests. Everyone was challenged to make ten new contacts and when they did so, they were entered into a Grand Prize Drawing which totaled over \$100 in Chamber members’ products and services – thanks to Fredericks’s Beauty Etc., Dobbs Tire & Auto, Dr. Anthony Calandro, and Sweet Tomatoes. That big winner was Tony Contreras from Computer St. Louis. Also, a big thank you to Mike Bluth and Crestwood Bowl for hosting this event. Mike and his staff were terrific to work with. In fact, every time the pins came down with a red pin as the head pin and that bowler got a strike, Crestwood Bowl the bowler a certificate for a free game. Our “Lane” sponsors were Bene’-Kelly Insurance, Extra Space Storage, Prime Lending, Prudential Advantage, and St. Louis Town Planner. Food sponsors were Pizza by America’s Incredible Pizza Co., Fried Chicken by King Edward’s Chicken & Fish, Bloomin’ Onions by Outback Steakhouse, and a Fruit Bouquet by Edible Arrangements. Thanks to everyone who helped make this event a success.
